Melbourne Pesach Menu 2025

100% KOSHER UNDER THE STRICT SUPERVISION OF KOSHER AUSTRALIA

Since our establishment in 1999, Klein's have earned the reputation of best kosher food on the market. Our philosophy for highest standards, amazing food and great customer service is never compromised. We pride ourselves on providing great tasting healthy food at an affordable price, and we take pleasure in doing all the hard work for you. Our team want you to be able to sit back, relax & enjoy your Yom Tov. Choose from our extensive range of offerings, and let us make this Pesach your most memorable & relaxing one yet!!

What makes us different from other Kosher Caterers for Passover? Firstly, our food is 100% preservative and additive free. All of our soups, sauces & marinades are made entirely from fresh produce – no powders, cubes or boosters. Secondly, unlike those who try to imitate us, we use blast chiller/shock freezer technology in our production to ensure the quality & integrity of our food. Thirdly, we are not vague when it comes to our portion sizing. We don't use terms like "serves 4-6", we tell you what you are actually buying. If you are ordering our 500gm beef goulash, you will be getting 500gm of actual meat PLUS sauce. And finally, we care!! We care about the quality of the produce we use, we care about the presentation of our products, and we care about YOU enjoying the food that we supply.

KLEIN'S – If you haven't tried us yet, there's no time like the present!!!
